

PATTON TOWNSHIP
CENTRE COUNTY, PENNSYLVANIA

Public Hearing on PSU Football Traffic through the Toftrees Neighborhood

**August 21st, 7 pm, Patton Township Municipal Building
100 Patton Plaza, Board Meeting Room**

DATE: August 5, 2019

Patton Township was informed in mid-July that PSU has revamped their parking plan for football games. This new plan specifically directs a portion of the incoming game traffic to Toftrees Avenue to access parking lots off of Fox Hollow Road.

At this point it is not clear if this will direct more or less traffic to Toftrees than what we have seen in prior years.

The Patton Township Board of Supervisors has invited Penn State officials to address the Board and Toftrees residents at their regular meeting on Wednesday, August 21st.

You are invited to attend to listen and/or comment on the plan.

If you cannot attend, but have questions or comments, please email the Township at: Patton@twp.patton.pa.us, and please include "PSU FB Traffic" in the subject line.
